

FREE BATTERY TRAINING

MILITARY INSPIRED DESIGN

BATTERY MAINTENANCE AND RECOVERY TRAINING

Hawker® battery Field Support Representatives are available to provide free Battery Maintenance and Recovery Training to most military units at the unit's maintenance location.

COST: Zero. It's part of our customer support package!

WHY: Experience indicates that 65% of all vehicle and generator batteries in the turn-in pile are serviceable. Stop the premature disposal of good batteries! This free and effective training will save you money.

WHAT: Approximately two and a half hours of classroom and hands-on training including diagnostics, preventive maintenance, corrective maintenance, testing, storage and safety.

WHO SHOULD ATTEND: Mechanics, maintenance supervisors, operators and HazMat personnel.

Contact a Hawker Battery Field Support Representative
to schedule your free training.
